

DECORATIVE EPOXY

StucVestre

Forty-one mineral shades.

Pigmented on site with mineral powders — an earthy, natural palette, with an unlimited range on request.

FINISHES

Matt or polished.

The same coating reads two ways — a matt, mineral calm, or sealed to a soft, even sheen that deepens its colour and shrugs off daily wear.

Mineral

A matt, mineral-like surface.

Polished

Sealed to a soft, even sheen.
